

RECITAL 2026!

We are **so excited** for our **27th Annual Shoot for the Stars Recital!** Due to ongoing construction at Smithville High School Performing Arts Center, we were given the opportunity to change the pace a bit this year... and we're thrilled about the fun twist it allowed us to create.

Our 2026 Recital will be held in the **Smithville High School Gymnasium**, giving us the perfect setting for a high-energy **High School Sock Hop-style theme!** Think classic school spirit, big energy, and music everyone recognizes! Our routines will feature favorites from **Grease, High School Musical**, and other upbeat, crowd-pleasing hits that blend nostalgia for parents with excitement for the kids. This is shaping up to be a **one-of-a-kind SFTS experience.**

Who Can Participate? Every child in gymnastics and/or cheerleading classes — **regardless of age or ability** — is encouraged to participate. Year after year, we see how much confidence and pride recital brings to our athletes. It's amazing what performing in front of family and friends does for them.

For many families, recital has become a special part of their child's SFTS journey — a chance to celebrate growth, hard work, and memories made throughout the year. Recital is **not required**, but the majority of our students absolutely love it and look forward to it all year long.

**** About Rehearsal****

Rehearsal is **MANDATORY** in order to participate in the show. (Preschool classes do not participate in rehearsal) After more than **26 years of recitals**, we've found that rehearsal before the **BIG show** gives kids the absolute **best overall experience.** It helps them feel comfortable, confident, and ready to truly enjoy performing.

Due to limited spectator seating, we will have **two different shows. Each class will perform in **one show only.** You will receive your child's rehearsal & show time assignment by **Wednesday, April 1st.***
